Research Institutions of Brazil**

Capes-PrInt

Public Call No. 41/2017

**This is a simplified version of the original public call, for reference only. The full version
(in Portuguese) is available at the [Capes-PrInt webpage](#).**

The Brazilian Federal Agency for Support and Evaluation of Graduate Education – CAPES through its Directorate of International Affairs - DRI, publishes the Program for Institutional Internationalization of the Higher Education Institutions and Research Institutions in Brazil that have Postgraduate Programs (PPGs) recommended by CAPES in accordance with the provisions of this Call and the applicable legislation.

1. ON THE OBJECTIVES

1.1 This Call aims at the selection of Institutional Internationalization Projects for Higher Education Institutions or Research Institutes that have at least 4 (four) Postgraduate Programs (PPG) recommended by Capes in the triennial evaluation of 2013 and in quadriennial 2017, among which there must be at least 2 (two) with doctorate courses.

1.2 The **objectives** of the Program are:

1.2.1. Foster the construction, implementation and consolidation of strategic plans for internationalization of the institutions contemplated in the areas of knowledge they prioritize;

1.2.2. Stimulate the formation of international research networks with a view to improving the quality of academic production linked to postgraduate studies;

1.2.3. Expand the actions to support internationalization in the postgraduate courses of the contemplated institutions;

1.2.4. Promote the mobility of lecturers and students, with emphasis on doctoral students, postdoctoral students, Brazilian lecturers abroad and foreign lecturers in Brazil, linked to *stricto sensu* postgraduate programs with international cooperation.

1.2.5. Foster the transformation of participating institutions into an international environment.

1.2.6 Integrate other CAPES development actions into the internationalization effort.

2. ON THE BUDGETARY AND FINANCIAL RESOURCES

2.1. The Call aims to select up to **40 (forty) Institutional Internationalization Projects** through evaluation of academic and scientific merit of the proposals and according to the budgetary and financial availability of CAPES.

2.2. The present Call has the annual budgetary forecast of up to R\$300,000,000.00 (three hundred million reais). For the year 2018, the forecast is to execute up to R\$150,000,000.00 from August.

2.3. The Institutional Internationalization Projects approved by CAPES will not receive supplemental amounts of any kind, including those due to exchange rate, and may be subject to eventual budgetary contingencies that affect CAPES. On such occasions, Institutional Internationalization Project Managers should adapt to the new financial and budgetary situation.

2.4. CAPES will only implement the Institutional Internationalization Projects after the Proposed Institutions comply with all the necessary procedures for granting the funds.

2.5. Other sources of funding, from public or private institutions, national or international, may be used by the Proposing Institutions, to supplement CAPES' financing to the Internationalization Institutional Project and optimize the results.

2.6. In case of use of resources from other sources, the monitoring of the Institutional Internationalization Projects should be included in the spreadsheet of resources applied.

3. ON THE REQUIREMENTS OF PROPOSALS

3.1. The proposal must meet the requirements below.

3.2. Requirements of Proposing Institutions

3.2.1. Higher Education Institutions and Research Institutes that have at least 4 (four) PPGs *stricto sensu* recommended by CAPES in the triennial evaluation of 2013 and the quadrennial of 2017, among which there must be at least 2 (two) with doctorate courses, and that have an Institutional Internalization Plan or a related document, valid for the period of the proposed Project are eligible for this call.

3.2.2. The Institutional Internationalization Projects should indicate their strategic themes for the internationalization actions to be developed according to the competencies and priority areas defined by the Proponent Institution.

3.2.3. Each Proposing Institution will present only one proposal, in which it will describe the strategic themes and list all the PPGs that will work on these topics. The choice of these PPGs should be justified.

3.2.4. Proposals submitted by more than one Proposing Institution or by associations of universities or research institutes will not be accepted.

3.2.5. Networked PPGs will only be considered when they are linked to the Proposing Institutions issuing the respective diploma.

3.3. Requirements of proponent of the Institutional Internationalization Project

3.3.1. The proponent of the Institutional Internationalization Project, which if approved will be

its **Manager**, should:

3.3.1.1 Be the Postgraduate Pro-Rector of the Proponent Institution, or holder of a similar position according to the institutional structure, and be permanently employed.

3.3.1.2 Be Brazilian or naturalized, or foreigner with permanent residence visa in Brazil.

3.3.1.3 In a possible substitution of the Pro-Rector, the management of the Institutional Internationalization Project shall necessarily be transferred to the new occupant of the position.

3.4. Requirements of the proposed Institutional Internationalization Projects

3.4.1. The proposed **Institutional Internationalization Projects** should present the following basic requirements:

3.4.1.1 **Alignment with the Institutional Internationalization Plan**, or a related document approved by a competent body (higher council responsible for matters related to Post-Graduation, or other body delegated by this board) that contains the medium- to long-term internationalization strategy of Proponent Institution.

3.4.1.2 **Management Group of the Institutional Internationalization Project** formed by professors who are advisors in *stricto sensu* postgraduate programs, with permanent employment relationship in the Proponent Institution, with academic leadership and international experience in the areas defined as priority, **as well as at least 1 (one) foreign member linked to a HEI abroad.**

3.4.1.3. The Management Group should consider different areas of knowledge, according to the institutional vocation of the HEI, and will be coordinated by the Pro-Rector of Post-Graduation or equivalent position (Manager of the Institutional Internationalization Project).

3.4.1.4 The Institutional Internationalization Project should **include at least strategies for:**

- a) Consolidation of existing international partnerships, as well as the construction of new partnerships and cooperation projects to increase the interaction between the Brazilian institution and research groups abroad.
- b) Attraction of foreign students to Brazil;
- c) Attraction of lecturers and researchers with international experience for the period of activities in Brazil;
