

REQUEST FOR AUTHORIZATION FOR PAID WORK / ADDITIONAL FINANCING

Before accepting paid work/additional financing (i.e. grants), the scholarship recipient must apply for authorization from CBIE. Such paid work authorization will be granted only if the work is complementary to the scholar's studies and if there is no actual or expected delay in relation to the study plan. Financial adjustments could follow. In addition, obtaining an authorization to do paid work eliminates almost all possibilities of getting a scholarship extension.

The application must be accompanied by an offer of contract, including the signature of the program director, the period covered by the contract and the remuneration to be received.
