

Download & Log-In

Getting the App

1. In the App Store. Search for CBIE 2019 in the store on your device and click the icon and Download / Install.
2. Find the event. Open the app, select CBIE 2019 or search for it in the Find my event search bar. Once you have located it, click Open.
3. Enter the event password. Enter event password cbie2019 to gain access to the app.

Note: If you are asked allow notifications, we suggest you accept so you can receive updates, notifications or special announcements during the conference.

4. Log into the app. When prompted, enter your information to gain access to the app.

Verify Your Account

1. Open your email. Exit the app and open your verification email. You will see it includes your four-digit verification code.

Note: Verification codes are sent to the email you' used to register for the conference. They are time-sensitive.

2. Entering the code. Return to the app and enter the verification code, then tap Verify to log in to the mobile app.
