

Welcome to the CBIE Community Hub!

The goal of this Community Hub is to support professionals from CBIE member institutions in sharing best practices, building resources and strengthen the international education network across Canada.

In order to meet this goal, it's important for members to feel they are in a safe place and that the Hub is populated by people with shared interests. Our guidelines are designed to ensure that the CBIE Community Hub is an enjoyable, beneficial and safe one for all our users. This boils down to common sense, basic courtesy and respect for all users of the Hub.

Once you login, find the "[Community Hub Guidelines](#)" on the homepage to review before you start exploring the Hub.
