CANADA'S EDUCATION DESTINATION

PJILA'SI (WELCOME)

We acknowledge we are in Mi'kma'ki – the unceded territory and ancestral homeland of the Mi'kmaq Nation. Our relationship is based on a series of Peace and Friendship treaties between the Mi'kmaq Nation and the Crown, dating back to 1725.

In Nova Scotia, we recognize that we are all Treaty People.

What is Nova Scotia?

Nova Scotia is a province on the east coast of Canada, facing the Atlantic Ocean. If you imagine the map of North America, Canada is above the United States. Nova Scotia is on the far eastern edge of Canada, sticking out into the ocean like a small arm.

Nova Scotia is known for its beautiful coastlines, lighthouses, seafood (especially lobster), and a mix of small towns and natural scenery. The capital city, Halifax, is the biggest city in the province and an important port with lots of history and culture.

Where is Nova Scotia Located?

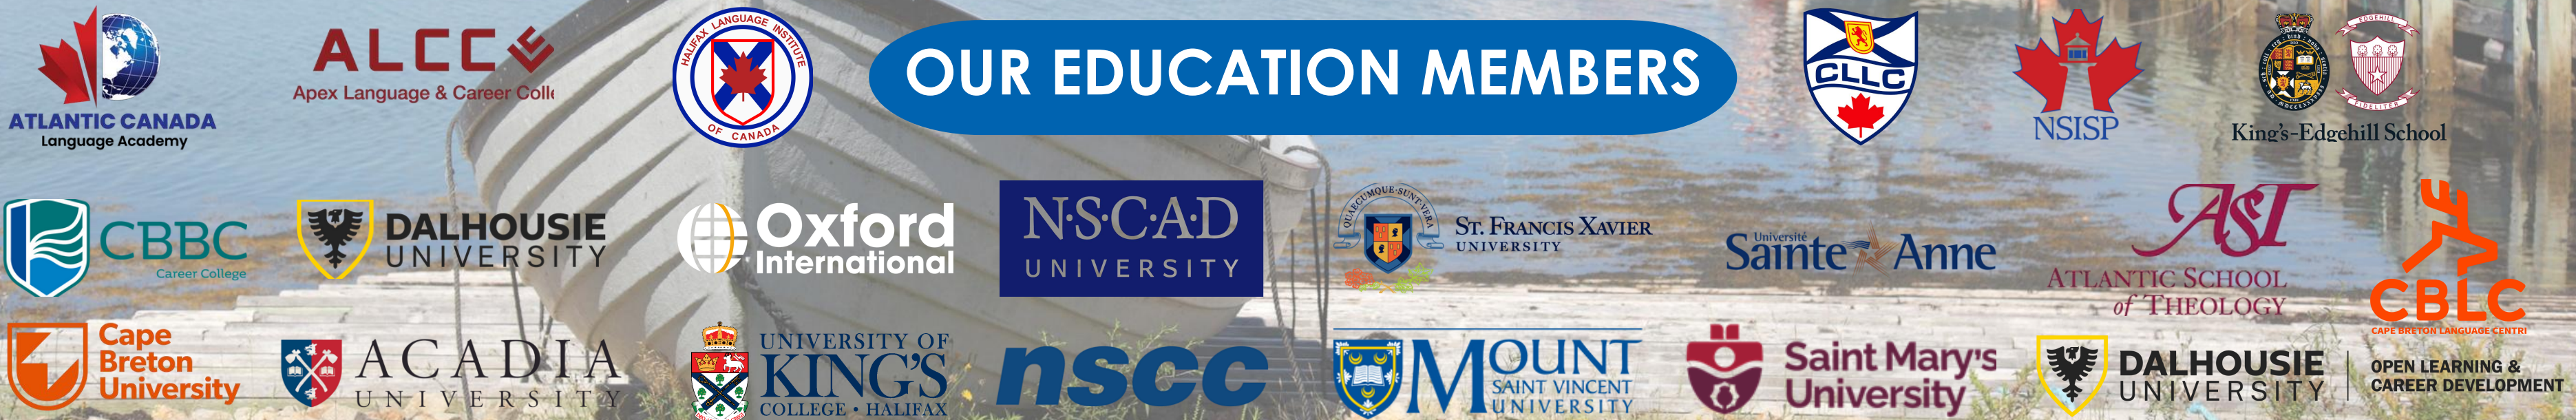

Most get to Nova Scotia by flying into Halifax's International Airport or driving from other parts of Canada through the neighbouring province of New Brunswick.

ABOUT EDUNOVA
